We need YOU to make this program a success. This is an opportunity to help our parish youth grow stronger in their faith as well as building our St. Joseph's community. Please consider being a part of religious education this year. We need teachers, discussion facilitators and someone to take attendance.

No matter how big or small the commitment, your help is greatly appreciated.

The Religious Education office can be reached at 781.585.6372 or stjsephreled@comcast.net
